

wintranslation

YOUR **PERSONAL COMMUNICATIONS CONCIERGE**

COMMUNICATION
ACROSS
**CANADA'S
INDIGENOUS LANGUAGES**

OUR SERVICE PHILOSOPHY

Put together the best features of a small company with the proficiency and professionalism of a large company and you get Wintranslation - the best of both worlds! We are a certified woman-and-minority-owned enterprise that prides itself on its humble beginnings as a one-woman operation in 1998. We're your personal communication concierge; dedicated to bringing your words and projects to your desired audience.

Last minute project? Indigenous languages that are hard to track down? Multilingual project? Complex ongoing project? You can leave it all to Wintranslation.

Wintranslation can tackle even the most complex, multi-layered projects thanks to our hands-on approach and strong project management capabilities. Setting us apart from the competition, we take time to truly understand our clients' needs and we have the knowledge and experience in this very complex area to set you on the right track to ensure your project success.

"I had a great experience working with Wintranslation. I called first to get an idea of what specific Indigenous dialect I would need translation into based on my program's region and they were very helpful. I received a quick response back on my request for a quote and prompt and polite service throughout the entire interaction..."

**Rebekah Wilson,
Federation of
Canadian Municipalities**

Wintranslation Service Philosophy delivers the following key benefits to our clients:

Access to over 965 translators internationally who specialize in over 125 languages to handle all your specialized document service needs at one time — we have access to the largest and most qualified resource base for Indigenous languages.

Specialized knowledge of Indigenous culture and languages to address potential challenges early and promote the best quality and success!

A bridge to mitigate differing business methods and customs. wintranslation will act as single liaison to minimize any frustrations this may cause.

A clear and concise project management methodology which is followed with unique communication and management techniques and methods which we have adapted and tailored specifically for this complex field. We deliver!
